To Whom It May Concern:

This Letter is to certify that Electro Industries/ Gauge Tech's power meters - specifically, our Nexus 12XX, Nexus 1500+ and Shark series meters – qualify under the Buy American Act of 1933, 41 U.S.C. § 10a, *et seq.*

Electro's meters are "commercially available off-the-shelf" (COST) items, manufactured in the United States at Electro's Westbury, NY manufacturing facility. At our facility the meters' domestic and imported components undergo a substantial change when they are incorporated into our meters, making the finished meters fully compliant under the Buy American Act.

Sincerely,

Erran Kagan  
President
